

Listen to someone
talk. What images
does it conjure up
for you?

Look for a group
of people. Why
are they together?
Make up a story.

Find something
that reminds you
of when you were
younger.

Look for
something red
and square.
Document it.

Look for
something blue
and round. Take a
photo.

Shake someone's
hand. Introduce
yourself, and ask
for their name.

Touch someone.

Pick up some dirt,
let it fall through
your fingers.
